

Unity Principles

Civil Rights

We believe Civil Rights are our birthright, including voting rights, freedom to worship without fear of intimidation or harassment, freedom of speech, and protections for all citizens regardless of race, gender, gender identity, sexual orientation, age or disability. We believe it is time for an all-inclusive Equal Rights Amendment to the U.S. Constitution.

We acknowledge and condemn antisemitism and all forms of religion-based hate. We stand firm in our rejection of language or actions from any person or group that target, disparage, denigrate, threaten or harm another person or group.

DISABILITY RIGHTS

We believe that all women's issues are issues faced by women with disabilities and Deaf women. As mothers, sisters, daughters, and contributing members of this great nation, we seek to break barriers to access, inclusion, independence, and the full enjoyment of citizenship at home and around the world. We strive to be fully included in and contribute to all aspects of American life, economy, and culture.

ENDING VIOLENCE

Women deserve to live full and healthy lives, free of all forms of violence against our bodies. We believe in accountability and justice in cases of police brutality and ending racial profiling and targeting of communities of color. It is our moral imperative to dismantle the gender and racial inequities within the criminal justice system.

Unity Principles

ENVIRONMENTAL JUSTICE

We believe that every person and every community in our nation has the right to clean water, clean air, and access to and enjoyment of public lands. We believe that our environment and our climate must be protected, and that our land and natural resources cannot be exploited for corporate gain or greed - especially at the risk of public safety and health.

IMMIGRANT RIGHTS

Rooted in the promise of America's call for huddled masses yearning to breathe free, we believe in immigrant and refugee rights regardless of status or country of origin. We believe migration is a human right and that no human being is illegal.

LGBTQIA RIGHTS

We firmly declare that LGBTQIA Rights are Human Rights and that it is our obligation to uplift, expand and protect the rights of our gay, lesbian, bi, queer, trans or gender non-conforming brothers, sisters and siblings. We must have the power to control our bodies and be free from gender norms, expectations and stereotypes.

REPRODUCTIVE RIGHTS

We believe in Reproductive Freedom. We do not accept any federal, state or local rollbacks, cuts or restrictions on our ability to access quality reproductive healthcare services, birth control, HIV/AIDS care and prevention, or medically accurate sexuality education. This means open access to safe, legal, affordable abortion and birth control for all people, regardless of income, location or education.

WORKER'S RIGHTS

We believe in an economy powered by transparency, accountability, security and equity. All women should be paid equitably, with access to affordable childcare, sick days, healthcare, paid family leave, and healthy work environments. All workers – including domestic and farm workers, undocumented and migrant workers - must have the right to organize and fight for a living minimum wage.
